Important!
Make sure you are ready: 1-2-3-4!

1. Prepare for the Download

How long will downloading applications take?
Our download files are very large. On a typical system setup, downloading the applications will take approximately 1 to 3 hours. The length of the download time is dependent on many factors such as internet speed, computer speed, site traffic. We highly recommend that you use broadband or better to optimize the download experience.

Can I get a disc?
The free software offer through the Education Community only applies to downloads. We cannot mail you an installation DVD.
