Elephant Games

Publisher:

Big Fish Games

Franchise:

Surface

Release Date: 25 Jul, 2016

English

surface the pantheon collector's edition

I am sure many people remember this game. It was very popular back on bigfish and deservedly so. We were spoilt in the early days and this game shows it ! An imaginative story, engaging and gripping; great voice overs, beautiful graphics and LONG game play . The puzzles are somewhat reminiscent of the esteemed Mystery Case Files (and of course are by the same developers) so I really enjoyed the adventure. RECOMMENDED..
